

REMARKS/ARGUMENTS

The sequence assigned SEQ ID NO:60 has been added. The specification has been amended to include the replacement Sequence Listing submitted herewith on separate sheets. Entry of the Sequence Listing does not raise the issue of new matter as the sequence information contained therein is presented in the application as originally filed. The computer readable copy of the Sequence Listing submitted herewith is believed to be the same as the attached paper copy of that Listing.

Favorable consideration of this application and entry of the foregoing amendments are respectfully requested.

Applicants await an early action on the merits. If the Examiner finds this case is not now in condition for allowance and believes that an interview prior to first action would be helpful in focussing and/or resolving issues, applicants request the Examiner to contact their representative at the telephone number listed below to arrange a telephonic or personal interview.

Respectfully submitted,

NIXON & VANDERHYE P.C.
